

## Pinwheel

*The pinwheel is a fun fold that looks fantastic on a table. Especially popular for kids, the napkin fold works particularly well with slightly starched cotton or linen napkins.*

### **Step1**

*Iron the napkin flat.*

### **Step2**

*Fold all the tips of the napkins into the center*

### **Step3**

*Fold two opposite edges towards the center, creating a rectangle*

### **Step4**

*Fold the two short edges of the rectangle towards the center*

### **Step5**

*Now take one flap and pull out one of the edges to make a point*

### **Step6**

*Repeat with the second flap*

**Step7**

*With the right flap, pull it down towards you*

**Step8**

*Turn the napkin around and repeat steps 5-6 to finish up the pinwheel napkin fold.*
