

Simple Pocket

Of all of our envelope style napkin folds, the simple pocket is by far the easiest and fastest to fold. The simple pocket is perfect for hosting a casual lunch or dinner for family or friends and is both functional and classic. For best folding results, we suggest first ironing the napkins thoroughly with starch to ensure a more rigid napkin

Step1

Iron the napkin flat.

Step2

Fold the napkin in half and orient the open end toward you.

Step3

Fold the napkin into quarters.

Step4

Orient the napkin so the open corner is facing away and to the left. Fold the top-most layer of napkin in half diagonally and press it down.

Step5

Turn the napkin over so that the open corner is now facing away and to the right. Fold the right-side back about 1/3 of the way and press it down.

Step6

Fold the left-side back also about 1/3 of the way and press

Step7

Flip the napkin over and insert your silverware.
